

Photo/Video Release Form

At CHDA, we often take pictures and short dance video clips to use for the purpose of staying connected with families, promote new classes and to send video clips to parents for dancers to practice, if needed.

If allowed, both of these applications allow a fun way to share what is going on in our studio as well as connect with other potential new dancers.

We kindly ask that you please fill out the bottom portion of this form, granting or denying Chapel Hill Dance Academy the permission to take photos/videos of your child in the studio to be used on either of these platforms.

I am the legal guardian of _____ and I give:
